

Photoshop World Student Scholarship Program

The Photoshop World scholarship program is created to give students the opportunity to attend the Photoshop World Conference & Expo, a three-day training event taught by the world's leading Photoshop experts. Each year, 25 scholarships are awarded to talented students across the nation, providing them with free conference admission and a one-year membership to the National Association of Photoshop Professionals (which includes a subscription to **Photoshop User** magazine). The total value of each scholarship is \$599.

We are currently accepting nominations for the Photoshop World Conference & Expo to be held October 1-3, 2009 in Las Vegas. Awards are based on recommendations from Photoshop educators at accredited learning institutions (colleges, universities, art institutes, etc.). If you have one or more promising students who are eager to learn, fill out the nomination form below and fax your entries to LeAnn McDonald at 813-433-5014 or e-mail her at lmcdonald@kelbymediagroup.com.

The deadline for submitting nominations is **July 31, 2009**.
